

SRTAG APPLICATION

Artists from Official State Recognized Tribes can apply by filling out our online or this physical application. The application will not be complete without supporting documents and payment. Applicants will not be required to share their photo on their profile. Instead they can use a picture of their work. Each artist decides what will go on their profile when they create their profile. (Please see the examples on our [Guild](#)

[Directory](#) page.)

Please Note: To qualify for this membership, the artist must be a member of an official state-recognized tribe and not a federally recognized tribe as described in the SRTAG by-laws. If you are unsure if your tribe is an official state recognized tribe, please contact SRTAG for verification.

PLEASE NOTE: *You will be required to provide 3 examples of your art and a picture of your tribal ID card. If this is not included with this application, your application will be denied.*
